

# White Star Quarry 2017 Instructor Program

**The 2017 Program:** For many years the professional diving instructors who bring their students to White Star Quarry have been able to dive with their students for free. Divers Incorporated - White Star is happy to announce that this program will continue for 2017. Instructors will also benefit with a discounted air fill price and a special Nitrox fill price with a properly labeled tank. PLEASE NOTE: Free diving is while you are supervising other divers. It was never the intent of this program to allow you to dive for free without acting as a supervisor.

**All of the Pre assigned 2017 season passes will be mailed out.** If you have not received your pass as of April 1 you need to reapply. You MAY NOT dive for free until you have a pass number. "Pass Pending's" are no longer being accepted. Check with the scuba concession or give us a call with questions. Sorry for the inconvenience.
